

CORPORATE PARTNERSHIP PROPOSAL · CSI & ENTERPRISE DEVELOPMENT ·

2030 by 2030: The Smartest BEE Investment Available to Your Company.

A partnership that earns you points across CSI, Enterprise Development, Preferential Procurement and Skills Development - simultaneously.

FOR: HEAD OF CSI · CFO · TRANSFORMATION DIRECTOR

THE OPPORTUNITY IN ONE SENTENCE

1ICT is raising R2,030,000,000 to deliver 2,030 Digital Labs in South African high schools by 2030 - and your company can fund one, five, or fifty labs while simultaneously claiming verified BEE scorecard value across four elements from a single budget line.

WHY THIS IS NOT ANOTHER TICK-BOX CSI EXERCISE

South Africa has seen this before. Equipment donated. Ribbon cut. BEE certificate filed. Six months later the lab is a storeroom. 1ICT refuses to repeat this cycle. Every lab we deliver is enrolled in a managed support contract from day one - remote monitoring, helpdesk, on-site SLA - delivered through a national network of certified, black-owned provincial SME partners. Machines that break get fixed. Teachers are trained. The lab still works in 2035. We call this accountability-led delivery. It is what makes us different.

THE BEE VALUE - FOUR ELEMENTS FROM ONE INVESTMENT

Element	What Qualifies	Indicative Value*
CSI / SED	School/community digital investment benefiting 75%+ black beneficiaries	Up to 5 pts (Generic); ICT Sector Code target may be 1.5% NPAT
Enterprise Development	Qualifying SME support: tools, training, certification, working capital, mentorship or payment-term support	Up to 15 pts combined, subject to verifier confirmation
Preferential Procurement	Spend with 1ICT / Level 1 implementation partner(s) with 135% procurement recognition	Up to 25 pts within ESD
Skills Development	SETA-accredited educator and learner training linked to lab delivery	Up to 20 pts

PROOF OF CONCEPT - PHEFENI SENIOR SECONDARY SCHOOL, SOWETO

SCHOOL	Phefeni Senior Secondary School, Soweto
DATE	2 February 2026
PARTNERS	Microsoft South Africa, 1ICT & Jozi My Jozi
ENDORSED BY	Minister Gwarube (DBE) & Minister Malatsi (DCDT)
MEDIA	DBE website · ITWeb · DCDT press office
IMPACT	CAT enabled · Educators trained · Community access

"By modernising this lab, we're opening doors. This will prepare learners with the digital skills they need for the jobs of the future."

— Asif Valley, National Technology Officer, Microsoft South Africa

WHAT YOUR COMPANY RECEIVES

- Verified BEE documentation for CSI, Enterprise Development, and Preferential Procurement elements
- Annual independently audited impact report - learner numbers, uptime stats, educator certifications, community access data
- Named recognition on the 1ict.co.za/2030 campaign hub Invested Wall
- Co-branding on delivered lab - your company's name in the school that your investment built
- School handover event - photo opportunity, media invitation, ministerial endorsement where applicable
- Section 18A tax certificate for donations via 1ICT Foundation (Phase 2, from 2028 onwards)
- Independent audit oversight of programme expenditure and related-party governance, per 1ICT's published audit framework

INVESTMENT TIERS

Tier	Investment	Scope
Founding Partner	R10,000,000+	10+ Schools · Maximum BEE recognition across all elements
Strategic Partner	R2,000,000-R10,000,000	5 to 10 Schools · ED + Procurement claims
Community Partner	Up to R2,000,000	1 school, fully resourced - build + 3 years of managed services
Sustaining Partner	R80,000-R150,000 / year	Managed services for the school
Track A Sponsor	R300,000-R900,000	Renovation of an existing lab
Track B Sponsor	R1,200,000-R1,500,000	New lab build for a school that has never had one

NEXT STEP

We invite you to a 30–45-minute presentation at your offices or virtually. We will walk you through the programme, the BEE documentation structure, the schools in your preferred geography, and the formal partnership agreement. Please contact us at 2030@1ict.co.za or 087 821 3000 to schedule.
